

## CORRHONEL

corrhone: a word which appeared in the air above my bed one day as I awakened

## Conventions

process protracted act  
background anywhere of condition  
that holes overlay stories  
conjured we of say  
style or at which as  
together particular night

## Lyric

empirical metal remands to lost  
articulate of unhinged  
there  
enormity  
symphony

## Versus Verses

eye meaning ear  
your eye's sight immobile sprouts  
whole inanimate timorous  
nubile grown and wind

## Corrhonel

enter hearing youth drum  
here  
the nothing of mind  
knotted here and one  
dances as sleight  
unsung  
fallen to  
knows  
curving dice

## A Book

a book is a bearer  
of books  
the fact, that  
the fact that  
distributed the  
sequential disseminate  
assimilate  
the space

## A Page of A Book

books but books  
language among  
languages  
fitted to a  
book which  
is libraries  
a book including  
organic in  
the real  
artisans in the

writer, responsibility  
in the in  
new to make  
a book  
of the

### In a Book

the same laws of books  
as such that follow  
an individualized  
function nouns so to  
such as language  
superfluous suspect  
its wherein a book  
no printed on the book  
where reading novels  
chess gossiping  
with cream  
in poetry books

### Something Happens Sometimes

very little  
or with a novel  
such a novel  
these words  
appear onto  
paper  
proper to capitals  
discoveries daily  
less common  
to write a mind  
poems are aloud  
and printed nothing

the lacked  
exploited  
openly or  
narrower  
a bigger or  
in this written  
unsung  
into space  
consequences  
its birth  
natural by  
language  
albeit communication  
ideal is only  
an example

Pages And

a concrete  
real page  
in the space  
through poetry  
an alternative  
subjectivity  
an element  
of space  
composes  
the book  
the text or  
the egg  
an ideal space  
reality exchange  
in an and

More

there is there will  
language or  
as a language  
the intention  
the both  
in the intentions  
just as intention  
every intention  
everyday language  
transmit to invoke  
old languages  
new arts

#### Lects

investigations  
to couple  
the communication  
those were words  
the words of images  
they are the name  
or a writer of  
the most blank which  
absolute silence  
of words

#### Refer to That Something

to reality language  
become abstract  
any particular  
nor the rose to see  
the word of them  
but nobody's rose

a book so essentially  
structure  
every telegram  
or nobody or  
structure  
every everything  
to understand  
a part  
and is

#### A Know

a text or this  
for any have  
that's they're  
as intention  
the new art  
absolute for  
language  
the book  
means I  
you mean  
that we  
don't know

#### What Understands

what this  
write the performs  
in the new old  
in not that  
all of on and thing  
the which  
the new no  
other thing

the word in the old  
and the reader  
in the new

## Enough Reading

in order to  
in order  
a structure  
one might wrong  
such an only if  
in the old in  
the new in the  
old to necessary  
in the new  
the reading  
may total  
the new methods  
The Signs  
there are the old  
the new the farthest  
which is the new  
dress in order to  
need in order to  
sentimental  
love the new  
ing and creat  
ing
